

SWIFT SILLIKER / MÉRIEUX NUTRISCIENCES REBRAND - FREQUENTLY ASKED QUESTIONS

1. Why has Swift rebranded?

After 4 years of being part of the Mérieux NutriSciences group, we decided it was time to take on the company name in order to emphasise our connection to the renown international Mérieux network – and subsequently, an extended range of services we are able to offer our clients locally. It is a name we are proud to be associated with and one which encompasses our commitment to customer excellence.

2. Has the legal entity changed?

No, we have retained our legal entity and are simply trading as Mérieux NutriSciences. Therefore, our legal name will now be represented as follows:

Swift Silliker (Pty) Ltd t/a Mérieux NutriSciences

3. Does the rebrand affect our accreditation?

Not at all. As our legal entity has not changed, accreditation under the Swift Silliker (Pty) Ltd name still applies.

4. How does the rebrand affect banking details?

It doesn't. Again, the legal name of Swift Silliker (Pty) Ltd is now reflected as Swift Silliker (Pty) Ltd t/a Mérieux NutriSciences. Therefore, our financial details allow for both names to be used. This means the bank will accept deposits and cheques made to either name but we strongly encourage clients to make use of "Mérieux NutriSciences".
