# BRC REFRESHER

## LEVEL 5 FOOD SAFETY

## Course Overview

This half-day, BRC refresher course is offered to the fruit and related industries. It highlights the latest changes and updates, as per Global Standard for Food Safety Issue 5, January 2008.

## Course Objectives

The course equips delegates with essential knowledge, rings changes to BRC and offers practical insight into its requirements and amendments, while also demonstrating how they can be incorporated into the existing BRC system.

## Who Should Attend

Food safety team leaders and members, packhouse managers, Quality Assurance managers and staff involved in implementing and maintaining the BRC Food Safety System.

**Duration:** Half day

**Language:** English

## Course Outline

Aspects covered include:

- Layout of the BRC standard
- New clauses and requirements
- Amendments to existing clauses
- Fundamental requirements.
